

swisscovery registration (HES-SO members)

Registration is done in two steps:

Step 1: Create a SWITCH edu-ID account

Step 2: [Register](#) with SLSP (swisscovery)

If you already have a SWITCH edu-ID account, go straight to **step 2**.

Step 1: Switch edu-ID registration ([tutorial](#))

1. Open <https://aai-service.hes-so.ch/>
2. Login with your HES-SO account

3. Click on the red SWITCH edu-ID icon:

SWITCH edu-ID

Note: If the icon is green or orange, you are already registered. Go to step 2 **swisscovery registration**.

4. Click on the following button:

▶ Lier mon authentifiant HES-SO à mon compte edu-ID personnel, le créer si nécessaire

5. Click on Create account.
6. Enter your personal information. We recommend you add a **private email address**.
7. Click on Create account.
8. Click on the link in the confirmation e-mail and/or enter the verification code from your text message to activate your account.
9. Click on Continue to services.
10. Log into your edu-ID account to link it to your HES-SO account.
11. Your new SWITCH edu-ID account has been created:

12. You can use your new SWITCH edu-ID account for your swisscovery registration.

Step 2: swisscovery registration (SLSP).

Step 2: swisscovery registration (SLSP)

1. Open <https://registration.slsp.ch/?iz=hesso>
2. Click on Start registration
3. Log in with your SWITCH edu-ID account

4. Accept to share information with this service
5. Library card number:
 - If you have an HES-SO library card or a library card with a barcode, enter your library card number or click [here](#) to access the library card management and settings page.
If you have a bibliopass library card (former RERO network), you can continue to use this card on the swisscovery platform.
 - If you do not have a library card yet, pick up your library card at an [affiliated library](#) (photo ID required).
6. Accept the terms of use and register.
7. You can now access the swisscovery platform.
